

Alumni Group - Community Guidelines

- This platform is intended for networking and alumni-related discussions. Members are welcome to share helpful and useful information such as career and job-related information.
- Sometimes similar questions get asked. Please be patient and helpful with those who've just joined and can't see previous questions. Once you know who can help you, you can always continue the conversation in a private message.
- To provide a positive and inclusive experience for all group members, please refrain from sharing information focusing on any type of political or religious view as well as any inappropriate content eg. of a sexual or criminal nature. Treat all members with respect and avoid language that is abusive, threatening, or defamatory.
- If you disagree with someone in the group please voice your opinions respectfully, if you feel the need to speak up. While we respect individual perspectives and encourage open discussion, conversations regarding current geopolitical events and other sensitive topics are discouraged.
- Avoid re-sharing information that has been forwarded many times or posted excessively.
- Keep discussions relevant to the group's purpose and avoid spamming. Don't send repetitive messages or promotional or advertising content that isn't related to the group's focus.
- For sensitive or personal conversations, switch to private messages.

How we protect your interests in this group:

- This is a closed access group, anyone who wishes to join can fill out this form: <https://forms.gle/gbAyvH2swNwwh6pY6>
- We have turned off the function of forwarding 'messages that have been forwarded many times'.
- We have reduced the number of admins to an absolute minimum.
- Members can report inappropriate content or behaviour to the admins.
- If specific rules are not adhered to, admins can delete inappropriate messages, reiterate the guidelines, and may remove individuals from the group.

If you have any questions or concerns, please contact the alumni team directly via email at alumni@sheffield.ac.uk.
