

HEALTH AND DISABILITY

What health challenges matter most in your context?

What barriers do disabled people experience in accessing healthcare?

What changes would make the greatest difference?

RESEARCH AND ADVOCACY

How could disability research better support advocacy?

What kinds of partnerships have worked well?

What would meaningful collaboration look like?

EMOTIONAL LABOUR AND SUSTAINING OURSELVES

What keeps us going in this work?

How do we sustain ourselves and one another?

Where do we find joy, care, or hope?
