

Using the prayer rooms

Welcome back!

Please follow these Covid-19 health and safety instructions while using the prayer rooms:

Please do not shake hands. Apart from your own prayer mat, please do not bring personal items to the room and do not leave anything in the room.

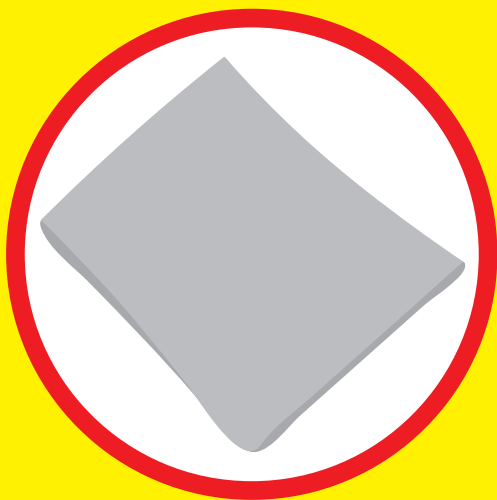

Maintain social distancing and keep your mask on all the time – including while you're completing your prayer.

Use hand sanitizer before entering the room.

Please take off your shoes and place them on the sanitized shoe rack. Please do not overcrowd the entrance.

Take your prayer mat, or a plastic disposable prayer mat, and place it in a distance marked area in the prayer room.

If you are using washing or seating facilities, please clean them before and after use.

After prayer, please take your mat with you – do not share prayer mats. If you used a disposable prayer mat, safely put it in the bin

Put your shoes on and sanitise your hands. Maintain social distancing and leave the area so it's safe for others.

We are grateful for your cooperation
