## Local heroes activity

Worksheet for teachers

### How you could use this idea in the classroom

**Ask pupils to think about 'local heroes'**  
e.g. past pupils, parents, teachers, local businessmen/  
women. They could be well known in the community  
or someone the pupil looks up to.

Pupils could write a profile by interviewing their hero,  
or you/they could invite them to visit the school.  
You might want to invite a former pupil who went on  
to University to come in to be interviewed by pupils.

The profiles could be written in the form of a  
newspaper report and displayed on a display board  
in the classroom.

A worksheet and example interview questions are  
attached to assist with this activity.
