## How do I change the text size?

- From the table of contents select the chapter/section you wish to load.
- Once the pages load, to decrease or enlarge the text, click the plus or minus symbols located at the top right hand corner of the section.

NOTE: click this once and then the page will reload. The text size will have increased by 25%. Please click once and then wait, rather than repeatedly clicking, as this will only slow the loading process.

## How do I change the format of the book from image to text?

You can also change the format of the book from image to text. Select the options at the top left of the page to do so.

### PREFACE

**WHEN** my father was taken ill, on May 28th, 1935—it was the day on which his eldest son, Henri-Edouard, died—he left on his table the three hundred pages of the manuscript of *Mohammed*
