

# MA Social Work

## A Pre-Interview Checklist

### Preparing for the Interview:

Confirm your attendance.

Inform the Admissions Assistant of any access requirements

Ensure you have the correct equipment, including the use of a device with a microphone and camera. The use of a phone is fine.

Find a quiet place for the interview to ensure the panel can hear you.

### Preparing Knowledge:

Consider your own experiences (work/personal) and how this demonstrates your suitability to undertake the MA Social Work programme.

Explore key sources of information: [Professional Capabilities Framework \(PCF\)](#) / [Social Work England \(SWE\)](#) / [South Yorkshire Teaching Partnership \(SYTP\)](#) / British Association of Social Workers (BASW) [Code of Ethics](#), as well as other relevant resources.

## Preparing to Study:

Consider what studying on this programme will look like for you and any challenges you might need to overcome.

What do I need to know about the MA Social Work degree programme?

- Module information
- Assessment information
- Practice placement information

Where will I live whilst studying on this programme?

- Visit the Accommodation pages on our website
- Consider how you will travel to the University and your placement
- Explore transport options

How will I finance my studies?

- Visit the Fees and Finance support pages on our website
- This is a full time programme therefore if you are eligible to work, consider how many hours you will be available.

What additional checks do I need to undertake prior to starting my studies?

- Student Visa (*International Students*)
- DBS Check (*Home and International Students*)
- Occupational Health Check (*Home and International Students*)
