

POSTER COMPETITION

**Design a poster to address a public health issue
and encourage people to live healthier lifestyles.**

You should think about:

- What public health issue you want to address
- What steps people should take to improve health outcomes in their community
- How you will encourage them to get involved

Prize categories:

1x GCSE students
1x 16-18 students

#1

WIN

£50

GIFT VOUCHER

**10x Runner up:
£25 gift voucher**

HOW TO ENTER

To enter you should be currently studying at KS4 or KS5 to the top of that section. Entries should be submitted as an email attachment to mdh-recmarketing@sheffield.ac.uk with the subject line POSTER COMPETITION. You should include your name, school and category (GCSE or 16-18) in the body of your email. Deadline for submission: **30th April 2023.**

Posters may be created using any medium. Paper designs should be clearly photographed and submitted as above.

All prize winners will be invited to a workshop at our Clinical Skills Centre at the Northern General Hospital and have their posters featured on our outreach web pages.
