

1. Introduction

The University of Sheffield wishes to be an exemplar in its governance and transparency on the remuneration of its senior leaders, and is fully committed to adhering to all of the principles within the HE Senior Staff Remuneration Code. This report demonstrates this commitment by providing information on the University's existing governance and processes in relation to senior pay and demonstrating the value of its leadership roles in relation to institutional performance and the complex, global and competitive environment that they operate within.

2. University Reward Governance

Executive

The Remuneration of the **President & Vice-Chancellor and University Executive Board (UEB)** roles are determined and governed by the **Senior Remuneration Committee (SRC)**, and therefore are in scope of the principles within the HE Senior Staff Remuneration Code.

Current UEB Membership: <https://www.sheffield.ac.uk/ueb>

The SRC is made up of independent lay members of Council, chaired by the Chair of Council. The Chair is rotated to another lay member when any decision on the remuneration of the President & Vice-Chancellor is made to further ensure independency of decision making. The lay members of SRC bring a wealth and breadth of remuneration expertise from different sectors. The Secretariat of SRC is provided by a member of the University's Human Resources Department Executive, with the University's Head of Reward in attendance. This not only ensures that the SRC have professional reward expert input, but also provides a link with the University's other reward governance structures and processes.

The SRC meet four times a year. The minutes of its meetings are published and reported to Council. The current SRC membership and terms of reference, minutes of its meetings and dates of future meetings are available on the University's governance web pages:

<https://www.sheffield.ac.uk/govern/committees/senior-remuneration>

Senior Staff (Professorial & Professorial Equivalent)

The pay of all other senior staff (Professorial and Professorial Equivalent level) who sit above the national pay framework and pay spine, are determined and governed by the **University Reward & Recognition Panel (URRP)** which is currently chaired by the Provost & Deputy Vice-Chancellor. The URRP meets annually to review and determine pay recommendations put forward by Faculty and Professional Services Departments for senior staff.

The SRC are consulted on any remuneration decisions relating to specific senior roles (as determined by the Committee) and any salary recommendations which exceed £150,000. The remuneration of any employees earning more than £100,000 are also reported to the SRC on an annual basis. This link with SRC and URRP ensures consistency and internal relativities are taken into account when reward decisions are made across the governance structure.

University Staff (Grade 1 to 9)

The pay of all other University roles is governed by the national framework on reward and University's local framework agreement. Pay decisions within this framework are delegated to Vice-Presidents & Head of Faculty or Professional Services Leadership Group Directors. Pay decisions and position are reported annually to the URRP so that the URRP can have final authorisation on these pay decisions and therefore maintain an oversight of remuneration and consistency of decision making across the University.

3. Gender Equality, Diversity and Inclusion

The University is committed to rewarding its staff fairly and continually measures the impact of its reward schemes and takes positive action to improve and promote gender equality. The Senior Remuneration Committee and the University Reward & Recognition Panel (URRP) are both responsible for the assessment and monitoring of gender equality in relation to the remuneration decisions they make. The URRP also monitors gender pay implications of pay decisions at all levels across the whole University. The grade of all University roles are underpinned by Hay job evaluation and the University undertakes an equal pay review every three years to explore and address any instances of unequal pay that cannot be justified. The University also measures and publishes its gender pay and bonus gap annually, with an action plan in place to reduce its gender pay gap and ensure there is appropriate career opportunities and development for its female staff.

Further information can be found on the University's Equality, Diversity and Inclusion webpages:

<https://www.sheffield.ac.uk/hr/equality>

4. Policy and Approach to Executive Remuneration

Overview

The University aims to attract, engage and grow the best talent to its senior leadership positions. As part of its strategy to achieve this, the University offers a total remuneration package to members of its University Executive Board (UEB) which is competitive and is linked to their contribution to the University's success. Their reward package will reflect the challenge and critical nature of the University's Executive roles in leading the University to achieve its vision to be world leading in learning, teaching, and research excellence.

Setting and Reviewing Base Salary

The basic salary of the University's Executive Board (UEB) roles, including the role of President & Vice-Chancellor are determined by the SRC, using a combination of job evaluation using Hay Job Evaluation Methodology and external benchmarking data.

- Hay Job Evaluation Methodology assesses the size of a role based on a number of components. These include complexity, impact, accountability, decision-making authority and the knowledge skills, credibility and experience required to deliver the role effectively. All UEB roles have been

independently evaluated using Hay evaluation by Korn Ferry Hay Group. Hay job evaluation methodology is used for all roles across the University.

- External benchmarking data enables the SRC to ensure that executive remuneration is both competitive and balanced in relation to the external market and the size of the role and University. This is essential to enable the University to attract and retain talent. External benchmarking data with comparator organisations from both within the sector and outside of the sector is provided to SRC from a number of sources. These include the UCEA Senior Remuneration Survey, the Russell Group Reward Survey, the CUC Survey of Vice-Chancellors Remuneration and industry benchmarking (mainly used for Professorial Equivalent Executive roles) from a number of sources including Korn Ferry Hay Group.

In addition, the SRC will take into account the reputation and academic/professional credibility required for the role, and will consider the current experience, qualification, skills and profile of the individual when agreeing a salary within the determined salary range of the role.

Executive members do not have a contractual requirement for an annual cost of living related uplift, however, the Committee may review annually whether such an uplift should apply, in particular, with consideration to any nationally agreed increase applied annually to all other staff.

Performance-Related Pay and Institutional Performance

The performance of all UEB members is assessed formally by the SRC at the end of each academic year by assessing delivery against objectives agreed by SRC at the start of that year. UEB objectives are split into 'core' and 'stretch' objectives. The successful delivery of core objectives reflects good performance in the role. Stretch objectives are normally areas of significant challenge and/or major activity or project delivery that have a significant impact on the institution. Objectives will be linked to University's strategic plan. UEB members will normally have some common objectives where collective delivery of a University-wide issue or objective is required.

Successful achievement against stretch objectives normally reflects exceptional performance in the role and is normally used to inform a bonus in line with the University's Executive Performance Scheme. Bonus payments are non-consolidated payments which are separate from base pay. The SRC take into account overall institutional performance, gender equality and the potential impact on the University's gender bonus gap, when assessing and agreeing any bonus. Bonus will not be paid where objectives have not been met and non-achievement of objectives will be taken seriously by the SRC.

Benefits

UEB members have the same eligibility and access to pension scheme membership and other benefits, as all University staff. In addition, UEB have the option to take-up private medical insurance as part of their package. The addition of private medical insurance ensures that the University's executive remuneration package is competitive within the market and provides security for the University in ensuring that its key senior leadership roles have access to immediate medical assistance, thereby ideally keeping unplanned time away from the University to a minimum.

5. External Activities and Income Policy

The following policy applies to all UEB members in relation to external activities.

Introduction

It is important for the University that the President & Vice-Chancellor and other University Executive Board (UEB) members represent themselves and the University, on various bodies/boards to carry out external responsibilities e.g. non-executive director/board roles. Such roles can have mutual benefit for the University, the UEB member and the external organisation, particularly in the development of partnerships and collaboration and through experience gained by the UEB member.

It is recognised that some of these roles may be remunerated, although the President & Vice-Chancellor would not normally retain any income from such roles and activities. Any income that President & Vice-Chancellor retains from such activities and appointments, will be disclosed and explained annually in the University's Remuneration Statement.

The purpose of this policy is to ensure that there is no conflict of interest with University business as a result of any external activities undertaken by University Executive Board members.

Scope

This policy applies to all University Executive Board members. External activities include board, non-executive director or trustee roles which relate to the individual's UEB or academic role and profile. Academic commitments such as external teaching and examining, and academic publishing and book royalties are not in scope of this policy. Any external role or activity, where the UEB member is also providing consultancy, must also comply with the University's policy on consultancy as detailed in the terms and conditions of all academic staff.

Approval Process

If a UEB member wishes to take up an external engagement or appointment, they must first discuss this with the President & Vice-Chancellor and obtain their written permission in advance of doing so. If the President & Vice-Chancellor wishes to take up an external engagement or appointment, they must first discuss this with the Chair of Council and obtain their written permission in advance of doing so. Details of any associated remuneration should form part of this discussion and approval process.

Record Keeping and Reporting

The external engagements and appointments (including any remuneration retained) undertaken by each UEB member, including the President & Vice-Chancellor will be reviewed and reported annually to the Senior Remuneration Committee. Details of any external activities and appointments (including any remuneration retained) undertaken by the President & Vice-Chancellor will be shared annually to Council and published in the University's Remuneration Statement.

6. Severance

Any severance payments for the University Executive Members will be determined by the Senior Remuneration Committee, and will be fair, reasonable and justifiable, in line with the principles of the HE Senior Staff Remuneration Code.

7. Business-Related Expenses

The University has a single set of rules for any of its employees who incur expenses for University business purposes, the 'University's Travel and Business Expenses Regulations'. The University will pay reasonable, authorised travel and business expenses that comply with these Regulations where the expenses are incurred by staff wholly, exclusively and necessarily in the performance of their duties of employment and qualify as 'Allowable Expenses' under these Regulations. All University Executive Board (UEB) members must abide by these regulations:

<https://www.sheffield.ac.uk/finance/regulations/appendices>

In order to successfully perform their duties, UEB roles may be required to undertake extensive national travel and international travel. They will also be required to host external stakeholders and events, or be invited to attend such events to represent the University. The costs incurred for the performance of these duties (some of which may relate to third parties) will be included in their individual business-related expenses. Details of the individual business related expenses of each University Executive Board member are published within the University's Annual Reward Statement.

President & Vice Chancellor

The role of President and Vice-Chancellor is the critical leadership role within the University, and also a key ambassador and influencer beyond, in the city and region, nationally within the sector, with government and industry and also internationally.

Professor Koen Lamberts

Professor Lamberts is a cognitive psychologist with an extensive track record in experimental and theoretical research on human perception and memory, for which he has been awarded prizes from the Experimental Psychology Society and the British Psychological Society.

Throughout his career he has held a number of significant leadership roles in higher education and is currently Deputy Chair of the Russell Group and Chair of the Board of Trustees of UKCISA (UK Council for International Student Affairs).

In the year 2020/21, the President and Vice Chancellor represented the University in a wide range of national and international activity at senior level, although much of this was undertaken remotely, thus incurring no cost. Nationally this included, for example, attendance at Russell Group and Universities UK Board meetings and representing the University at Alumni events in London. Professor Lamberts has not travelled internationally this year due to the Covid pandemic.

Provost and Deputy Vice-Chancellor

The Provost and Deputy Vice-Chancellor (DVC) supports the President & Vice-Chancellor (P&VC) in providing strategic leadership of the organisation, working to drive improvement and innovation and advance scholarship. The role provides leadership and oversight of the majority of University business across both academic and professional services areas. Professor Valentine acts on behalf of the P&VC across a range of delegated internal and external matters which include attending external educational, alumni partnership and policy meetings (national and international).

Professor Valentine's research interests are focused in three interconnected areas: diversity and social inclusion; childhood, parenting and family life; and urban cultures and consumption. She is regularly invited to speak at national and international seminars and conferences on these subjects.

Professor Gill Valentine

In the year 2020/21, the DVC represented the University in a wide range of national activity at senior level, albeit virtually, thus incurring no cost. Nationally this included, for example, attendance at Russell Group, N8, Yorkshire Universities and STEM Learning Board meetings. Professor Valentine represented the University at international conferences, and partnership and alumni meetings in Greece, the USA and Ireland.

No expenditure incurred during 2020/21

Note: UEB Members are often required to host external stakeholders and/or events. As such, University costs incurred may include amounts relating to other parties. Travel on University business by UEB members may also include elements of cost relating to other University staff members. In the year 2020/21, the CFO virtually represented the University at external networking events in the UK. The associated costs of the CFO's business-related expenses for 2020/21 are as below:

	Total for UEB Role	Total for Other Role	Total Expenses for 2020/21
Removal/Relocation Expenses	£8,000.00	£0.00	£8,000.00
	<u>£8,000.00</u>	<u>£0.00</u>	<u>£8,000.00</u>

Note: UEB Members are often required to host external stakeholders and/or events. As such, University costs incurred may include amounts relating to other parties. Travel on University business by UEB members may also include elements of cost relating to other University staff members. Where the costs of an activity are ultimately funded from a specific external funding source (but are paid by the University in the first instance) these sums are also included.
