

Informal Complaint Form

You should use this form if you intend to make an informal complaint about the delivery and quality of services received, about the delivery of teaching/ supervisory provision or any other matters relating to a programme of study.

Before completing this form, ensure that you have read the University's and, especially, the [Guidance](#) we provide for Students who are considering submitting a Complaint.

You may also find it helpful to contact the [Student Advice Centre](#) for independent guidance and support.

Where possible, students should attempt to resolve complaints informally by raising their concerns with the relevant Head of Department or Service, at the earliest possible stage.

All sections of the form must be completed. The form and accompanying documentary evidence are to be submitted by email to:

- The Head of your Department, or the Service concerned. Please note that you should normally complete the Informal stage of the process before moving to the Formal stage.

The Head of Department or Service may delegate to an appropriate named individual.

If your complaint relates to the Head of Department or Services or multiple departments or services are involved, you can submit a Formal Stage Complaint without having submitted an Informal Stage Complaint.

You should expect an acknowledgement of receipt of your complaint within 5 working days and an outcome within one calendar month. If the outcome is likely to be delayed, you will be kept informed as to the progress of your case once a calendar month has elapsed.

You will be informed in writing of the outcome of your complaint in due course.

Time limits

You should submit your informal complaint within three months of the issue you wish to complain about. Any subsequent formal complaint should be submitted within 30 days of the date of the department or service's written response to your informal complaint.

In exceptional circumstances, the University may provide you with an extension if it deems that there is a good/valid reason to do so.

If you wish to submit an Informal Complaint after the deadlines listed above, you must first submit a [Late Submission Request Form](#) to explain why you were unable to submit your complaint within the required deadlines.
